Memo: To University of Colorado Student Union

Coloradians for Recycling, the Environmental Center, and CoPIRG are sponsoring voter registration January 26 - 28, 9:30 to 4 p.m. in the U.C.S.U. Test File Booth. Due to changes in Colorado election law, you must be registered to vote in Colorado to sign a petition to place an issue on the November 2, 1982 ballot. Ballot initiative petitions this year include: severance tax, bottle bill, and the Rocky Flats conversion fund. All petition drives must be completed by June. Thus, if students wish to participate in the petition process they must be a registered voter in Colorado this semester. We have arranged all aspects for the voter registration drive, but need money for publicity.
