16 Executive Council Bill #40

UNIVERSITY OF COLORADO
STUDENT UNION

Sponsored By: Representative-at-Large: Karen Hansen

A BILL

A bill to reinstate the Cultural Events Board allocation of \$750 to fund the Speakers Coordinator's trip to the NECAA (National Entertainment and Campus Activities Association) Conference in Chicago on Feb. 17-21, 1982.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: The national NECAA Conference is not only beneficial, but necessary for the proper coordination of cultural events on campus.

SECTION 2: As Katie Russell, the Speakers Coordinator, has little tenure on the Board, and will be one of the only voting members remaining after May, 1982, her attendance at this conference is imperative to the continued quality of events sponsored by the Cultural Events Board.
