**A BILL**

---

**BILL SUMMARY**

To set aside \$19,400 of UCSU over-realized interest income as a donation to the campus as a gesture demonstrating our concern for the economic plight of our campus.

---

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

- SECTION 1:** Recognizing the tremendous economic crunch which continually handicaps our university and its ability to provide worthwhile programs to accommodate the needs of the student body, we shall set aside \$19,400 of over-realized interest income which shall be allocated for campus improvements to symbolize our dedication to the University of Colorado, Boulder.
- SECTION 2:** This money shall be designated to support any or all of the following:
- a) Campus safety improvements including lighting and landscape changes and reproduction of pedestrian traffic flow maps to aid in preventing sexual assault and alleviate other safety problems.
  - b) Books, periodicals, and other one-time purchases within priorities set by the library.
  - c) Automation support for the library, including terminals, public access catalog, and the like with items to be determined by the library.
  - d) Computer terminals, personal computers or other equipment to be selected from high priority needs by the Academic Computing Center.
- SECTION 3:** Upon Executive Council approval, all expenditures shall be the result of negotiation and mutual agreement between the UCSU Executives, the Pro-Tempore and the Chancellor
- SECTION 4:** This bill shall become effective upon passage.
