19 EXECUTIVE COUNCIL BILL #12

UNIVERSITY OF COLORADO
STUDENT UNION

Sponsored By: President Pro-Tempore: Gretchen Roorbach

A BILL

BILL SUMMARY

That the Vice-Chair of any Joint Board can not be an Executive Council Member.

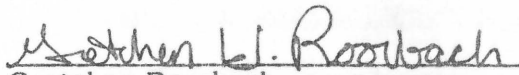

BILL HISTORY

The Joint Board By-Laws of each UCSU Joint Board are not consistent in their policies for eligibility of Chair and Vice Chairs. All Joint Boards should be consistent. The Environmental Board, Finance, & Health Boards all state that the Chair and Vice Chair can not be a Rep Council member. The Rec, UMC & AIR Boards do not state that either the Chair or Vice Chair can not be a member of Representative Council. CEB states the Chair can not be a member of Rep Council but does not state eligibility for the Vice Chair.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

- SECTION 1: Neither the Chair nor the Vice Chair of a Joint Board shall be a member of Executive Council.
- SECTION 2: The following Boards: CEB, Rec Center, UMC, and AIR Board shall amend their By-Laws to state that neither the Chair nor the Vice Chair shall be an Executive Council member.
- SECTION 3: This legislation shall take effect upon passage by Executive Council.
