BILL HISTORY

Publicity is currently an Ad Hoc committee of executive council, originally formed to study the acknowledged lack of communication between UCSU and the student body at large. The committee has met all summer and has considered various solutions to the communication problem.

BE IT ENACTED BY THE Executive Council of the University of Colorado Student Union, THAT:

B. The publicity committee's goals are to disseminate information on UCSU's various services and opportunities as they directly affect the students; to oversee the production of a regular publication, and to coordinate and supplement the activities of the UCSU PR director while complementing other publicity functions of UCSU Joint Boards, committees, Executive Staff and Executive Council.

SECTION 3: The budget for the committee shall be submitted to Finance Board and brought to Executive Council for final approval.
