19 EXECUTIVE BILL #34

UNIVERSITY OF COLORADO  
STUDENT UNION

Sponsored by: Representative-at-large: Tom Roberts

A BILL

---

BILL SUMMARY

Places a referendum question on the Fall 1983 UCSU Election Ballot

---

BILL HISTORY

Executive Council members work for UCSU on a volunteer basis. Executive Council members devote between 10-20 hours, or more, to their various functions each week. UCSU members who cannot afford to spend this amount of time working for UCSU, due to their need of employment, are effectively eliminated from the position of Representative-at-Large or Local School Representative. This factor creates a certain elitism within UCSU Executive Council.

---

BE IT ENACTED by the Executive Council of the University of Colorado Student Union THAT:
