19 EXECUTIVE COUNCIL RESOLUTION #103

UNIVERSITY OF COLORADO
STUDENT UNION

Sponsored By: The Members of UCSU Executive Council

A RESOLUTION

WHEREAS: The Representative Council supports the effort of El Diario to bring to the attention of the Executive Council a possible bribe within the room allocation process; and,

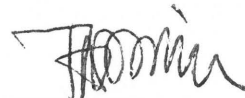

WHEREAS: We, however, feel this was not a motivating factor in the UMC Board decision to move El Diario from their traditional room.

THEREFORE BE IT RESOLVED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: We urge El Diario to attempt to moderate possible conflict in advance by maintaining communication with the Board.

SECTION 2: We further remind El Diario that they have the option of re-applying to the UMC Board in October.
