19 EXECUTIVE COUNCIL RESOLUTION #113

UNIVERSITY OF COLORADO
STUDENT UNION

Sponsored By: Rich Diecidue

A RESOLUTION

WHEREAS: Many students on this campus have little knowledge of UCSU as a whole and related activities; and,

Publishing of the Executive Council agenda weekly would give students an opportunity to become more aware of current activities. This would also serve as a catalyst to students to participate in student government, in inviting them to come to the meetings and express their views on certain subjects that they feel strongly about.

THEREFORE BE IT RESOLVED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: The UCSU Executive Council shall inform the Colorado Daily Campus Press and KAIR the contents of the Executive Agenda for Public Dissemination.

SECTION 2: The Publicity Committee shall be responsible for compiling an abbreviated agenda to be distributed to the public news media.

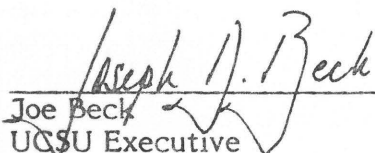

Section 3: This Resolution takes affect upon passage.
