A RESOLUTION

- WHEREAS:** Gretchen Roorbach has served long and diligently on Council despite Bill Tucker whispering sweet nothings in her ear; and,
- WHEREAS:** Gretchen is the granola goddess of UCSU; and,
- WHEREAS:** We will miss her diplomatic assaults on our Executive Tweedledum (or was it Tweedle-dee); and,
- WHEREAS:** Gretchen has aggressively protected her principle and ideas, i.e. like chasing an innocent Chi Psi up the stairs of Ferrand.

WHEREAS: We ran out of whereas's; and,

THEREFORE BE IT RESOLVED by the Executive Council of the University of Colorado Student Union, **THAT:**

SECTION 1: We all wish Gretchen well in her ENVD re-election (in that she is running unopposed).

SECTION 2: We wish the best of luck in following Ann Burford's footsteps and protecting us from toxic waste.

SECTION 3: We love Gretchen.
