A BILL

Until recently, we did not know the final details of the costs of Terrell Bell. Due to contractual obligations, he must charge a minimal fee to cover his obligations with his agents. His honorarium is \$3,000.00, airfare \$350. Chancellor Harrison Shull has agreed to pick up an additional \$750.00 to help cover expenses. Vice President William Fischer, who negotiated the event, has agreed to house Mr. Bell at his home. Much effort has been expended by the CU administration, assisting UCSU in our efforts to attract, negotiate and secure this speaking engagement.

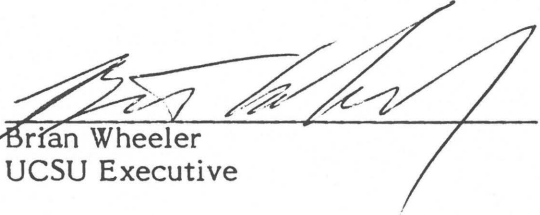

\$ 750.00	-	Chancellor's contribution
\$2,760.80	-	Total UCSU contribution

SECTION 2: This legislation shall take effect upon passage by the Executive Council.
