BILL HISTORY

As part of Welcome Week this fall, a reception for new and transfer non-traditional students has been proposed by Aggie Madden of Retention Services. Welcome Week" is an annual event involving numerous areas of the University. Last fall this reception was held, was well attended and quite successful. The Non-Traditional Student Center (NTSC) was well represented by non-traditional student members at the reception, and the NTSC feels it was an invaluable event for new and transfer non-traditional students. Vital links were made between these non-traditional students and the NTSC. This connection continued throughout the year in the form of information, counseling and identification. The expense of the reception will be mutually shared by Retention Services and the NTSC.
