A BILL

BILL HISTORY

In the Spring of 1985, \$1,800.00 was allocated for new carpeting for the UCSU office. The carpet has since been chosen, the office measured, and an estimate submitted. For all of the UCSU office area to be recarpeted, the dollar amount estimated is \$3,300.00. While this may seem much higher than the amount originally allocated, there is justification. In the past, when UCSU has recarpeted the office area, only the areas most needing new carpet were done; this is evident from the fact that the UCSU office is now carpeted in four different colors! In order to present a more professional atmosphere as well as to cut down on future costs due to haphazard planning, the entire office area should be carpeted at the same time in a single color, once and for all.

BILL SUMMARY

Allocate \$1,500.00 from Central Reserve for carpeting for the UCSU office.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union **THAT:**

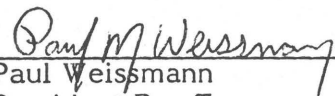

SECTION 1: \$1,500.00 from Central Reserve be allocated for carpeting for the UCSU office.
