A BILL

BILL HISTORY

The inadequacy of minority representation at UCB has been an unending issue for many UCSU members. Although the topic has been discussed many times, no real solutions have been offered from this body to date. The Board of Regents themselves have failed to implement workable solutions. In fact, according to a recent Colorado Daily article, Regent Sandy F. Kraemer said he was dismayed at the lack of interest in the topic. The article notes there is a "nationally shrinking 'pool' of minority students" and that "nailing down what is to be done has been difficult."

Similarly, other members of the media have recognized that the percentage of minority students is not proportionate to their percentage of the population in Colorado. Moreover, the Executive Director for the Colorado Commission on Higher Education, Blenda Wilson, has been quoted as saying these numbers reflect national trends.

In order to combat this absurd atrocity, many activities and events have been and are being planned to meet this issue directly. One such event, organized by the Career Development advisory Council, is the Minority Career Conference. This will be the fifth year of the Conference, and the second year UCSU will have the opportunity to participate.

Many sponsors of the Conference believe one of the main goals of the Conference will be to provide appropriate career planning and development opportunities for minority high school and college students in the State of Colorado. The Conference is also designed to present professional minority role models in many different academic and professional career fields for the specific purpose of increasing minority participation in such areas.

The sponsors of this bill are asking for funds to cover the costs of the Conference. Specifically, the money will be used to print 1,000 brochures outlining the Conference, the Career Development Advisory Council, and UCSU. In addition, funds are requested to print 500 copies of The Harrington-O'Shea Career Decision Making System booklet. This is a survey booklet designed to explore potential career opportunities. The brochures and the booklets will be distributed to attendees of the conference, high school students and faculty during visitations, and, if possible, at similar conferences around the country.

BILL SUMMARY

To allocate an amount not to exceed \$500.00 for the purpose of printing 1,000 brochures and 500 career survey booklets to be used at the Minority Career Conference on October 25, 1985.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union THAT:

SECTION 1: An amount not to exceed \$250.00 shall be allocated from Central Reserve to print 1,000 brochures for the Minority Career Conference.

SECTION 2: An amount not to exceed \$250.00 shall be allocated from Central Reserve to print 500 Career Survey Booklets for the Minority Career Conference.

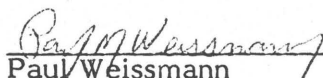

SECTION 3: UCSU officially adds its name to the list of sponsors for the Conference.

SECTION 4: This legislation takes effect upon passage.

A BILL

BILL HISTORY

As part of regular semester-long events the Feminist Alliance would like to hold a catered reception. This reception is designed to promote group membership, foster vital links between new and old members and enhance networking efforts of feminist students on campus. We feel this event will be well attended and quite successful. We expect this event will be invaluable for new and old group members and hope the connections made will last throughout the year in the form of information, counseling, and educational endeavors. The expense of the reception will be shared by Students for Reproductive Choice.

This bill follows in accordance with precedent set by 23 EB #10 for UCSU funding student group membership drive receptions.

BILL SUMMARY

Allocate \$95.00 to the Feminist Alliance.

Allocate \$95.00 from Executive Council Reserve for a "New and Old Member Feminist Alliance Networking Reception," to be held November 17, 1985.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union THAT:

SECTION 1: \$95.00 be allocated from Executive Council Reserve for a "New and Old Member Feminist Alliance Networking Reception."

SECTION 2: This legislation takes effect upon passage.

A BILL

BILL HISTORY

During Executive Council Session 21, UCSU Executive Council passed a resolution condemning apartheid in South Africa and supporting Universities' attempts to divest funds from banks and corporations doing business in South Africa. Currently the University of Colorado has substantial investment in the above mentioned funds; therefore, South Africa and the issues surrounding are directly tied to students since their tuition dollars are invested in South Africa.

BILL SUMMARY

This bill shall allocate \$5,996.21 from Central reserve to go towards a full day teach-in which will most likely be endorsed by both Staff Council and Faculty Council. The teach-in has already been endorsed by Executive Staff Council. The teach-in will cost \$3,363.27 (see attached) with the remainder going towards the South African-Nicaraguan Student Tour (\$2,232.94). Four hundred dollars (\$400) will go towards advertising for a forum on the evening of October 10, 1985, which will present representatives from the State Department and other organizations which currently support the policy of "constructive engagement." Michael Rosen has also been asked to appear at this event.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union THAT:

SECTION 1: UCSU Executive Council shall allocate \$6,196.00 from Central Reserve to go towards a South African-Nicaraguan Tour, an evening forum on constructive engagement, and an all day teach-in.

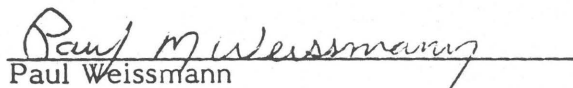

SECTION 2: The breakdown of these events are as follows (See attached):

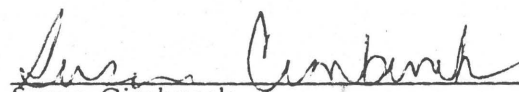

SECTION 3: This legislation takes effect upon passage.

BUDGET PROPOSAL FOR THE SOUTH AFRICAN AWARENESS
GROUP'S PRESENTATION OF "THE SOUTH AFRICAN -NICARAGUAN STUDENT TOUR", WEDNESDAY
OCTOBER 30

The American Committee on Africa, in conjunction with The United States Student Association (which is comprised of 425 schools) and the Clergy and Laity concerned are producing a national student tour of two South African and one Nicaraguan student. These students will be traveling to over twenty universities during the month of October to present the views of students from two war-torn countries with which the U.S. has close economic and political ties. Currently both South Africa and Nicaragua are great topics of concern and debate both on this campus and throughout the country.

BILL HISTORY

Recently, Students Toward a New Direction (STAND) invited several speakers to campus. They included former Presidents Ford, Carter, and Nixon, President Reagan, Vice-President Bush, and a handful of Senators and Congresspeople. From the response we received, STAND decided to work on bringing George McGovern.

BILL SUMMARY

This bill allocates \$9,218.87 to STAND for the purpose of having George McGovern speak on our campus on April 25th in the Events Center.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, **THAT:**

SECTION 1: UCSU allocates an amount not to exceed \$9,218.87 to Students Toward a New Direction for "An Evening With George McGovern. (See Budget attached.)

SECTION 2: This money shall come out of Central Reserve.

SECTION 3: Upon passage of this Bill, Executive Council shall give input into the lecture topic.

A BILL

BILL HISTORY

Students applying for UCSU positions should not be required to submit their grade point averages (GPA) for consideration by the interviewing boards. In those "appropriate" cases, interviewers may choose to verbally request GPA information. It should always be requested in the form of an option.

An understanding of background, activity level and other variables are necessary to fully evaluate GPAs appropriately. UCSU's time constraints do not always allow for such scrutiny.

GPA does not predetermine success or dedication. Indeed, this information would be better provided through more direct questioning. Students should not be embarrassed to submit their applications for consideration by fellow students.

BILL SUMMARY

UCSU applications eliminate Grade Point Average (GPA) as required applicant information. On current UCSU applications, an "x" shall be placed over the GPA box.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union THAT:

SECTION 1: An "x" shall be placed over GPA on all current UCSU applications.

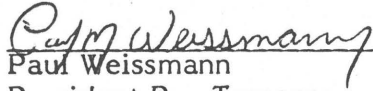

SECTION 2: GPA shall be omitted from all future UCSU applications.

SECTION 3: Age shall also be omitted from all future UCSU applications.

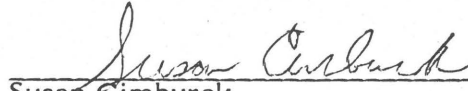

SECTION 4: This legislation takes effect upon passage.

A BILL

BILL HISTORY

March 7, 1985, Executive Council approved \$600 to be used for an external audit of KAIR. The purpose of this audit was to determine the effectiveness of our school sponsored radio station. The money earmarked for this project was never utilized; an internal audit has been ordered (at no cost) but due to delays in administrative bureaucracy this may never be reviewed, much less completed. Since this was an Executive Council priority which was never carried out, this bill solicits the same information in a different way.

BILL SUMMARY

To put a Referendum on the Fall, 1985 ballot.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: The UCSU Executive Council requires the Election Commission to place the following Referendum on the Fall 1985 election ballot:

KAIR (K-Access in Radio) is the student sponsored campus radio station. Its intention is to communicate general campus information as well as audio entertainment. KAIR currently requires \$54,264 in mandatory student fees.

"Do you wish to continue funding the operation of KAIR?"

A BILL

BILL HISTORY

Many SOC groups solicit funding from Executive Council. In order to administer these funds fairly and objectively it is essential that Council members have no previous disposition towards one group or another. Members of Executive Council can sit on the Student Organizations Committee and, in fact, all hold ex-officio membership on this Committee. It is impossible for any member of this Committee to objectively allocate funds to student groups if they are a member of one of the competing groups.

BILL SUMMARY

Defines dual membership in SOC groups and Executive Council to be conflicting and therefore makes dual membership unconstitutional.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: No Executive Council member or Student Organizations member can hold concurrent membership in any UCSU funded group.

SECTION 2: This legislation clarifies the 7th Amendment to the UCSU Constitution under Article 1 D, OTHER POSITIONS B.

During the 22nd Session, Executive Council voted by 9-7-2 to boycott Campbell's products from this campus. In the deliberation of the Bill, conflicting information was presented. We, the authors, believe that this boycott was a questionable action on Executive Council's part. Very few, if any, members of Council are qualified (informationally) to vote on this issue. UCSU should not participate in labor/management disputes which do not directly affect the University of Colorado, Boulder.

BILL SUMMARY

Rescinds Campbell's boycott.

A BILL

BILL HISTORY

This Bill is submitted in response to considerable Council and public debate on this matter. This action was mandated by 22 ECB #4, passed 11/15/84, 10-2-0. UCSU crosses the boundaries or territory of student groups and therefore must, by definition, favor one group's ideology over another when they support its specific political agenda. UCSU alienates the student groups and a large portion of the student body that support a different political view when we do this.

BILL SUMMARY

Establishes policy on the role of UCSU in political questions that do not directly affect UCSU's operations or higher education.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

- SECTION 1: The role of Executive Council in issues of national and international importance shall be neutral. (Example: Support of anti-communist rebels in Nicaragua, financially or in the form of a resolution.)
- SECTION 2: Neutral is defined as not addressing foreign or domestic policy, labor/management disputes and political candidates or officials and their views. (Example: A resolution to support Ronald Reagan in his efforts to reverse affirmative action).
- SECTION 3: It is the role of student groups to address these issues independently with the financial support of the Student Organizations Committee.
- SECTION 4: UCSU shall make every attempt to fund or encourage speakers and other educational media, in an unbiased, equal and representative fashion.
- SECTION 5: Any legislation which may breach this Bill shall be submitted to Rules Committee for approval before being placed on the agenda. Approval shall be granted on the basis of this Bill only.

Over the last several elections the Election Code has been found to be inconsistent and confusing. These amendments will clarify the Code and make it more fair for all candidates.

BILL SUMMARY

This bill, which requires 2/3 of Council to approve, makes long needed changes in the Election Code. These changes will affect the spring 1986 elections.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, **THAT:**

SECTION 1: The attached amendments will be added to the Election Code and the appropriate sections shall be changed.

SECTION 2: This legislation takes effect upon passage.

A BILL

BILL HISTORY

During the spring semester of 1985 UCSU voted to allocate money to help pay for Mr. John Stockwell to come to campus to speak on the Central Intelligence Agency (CIA). This legislation was co-sponsored by Tim Rustow and Jill Hanauer. Over 400 people attended this event.

BILL SUMMARY

This Bill shall allocate \$500 from Executive Council Reserve for an honorarium for Mr. David MacMichael, a former CIA official who was commissioned by the CIA to expose the arms flow from Nicaragua to El Salvador. MacMichael charges that at no time during his term with the National Intelligence Council (branch of the CIA) did he see convincing raw or finished evidence that indicated the existence of a significant arms flow from Nicaragua after the spring of 1981. MacMichael has just returned from the United Nations World Court at the Hague in the Netherlands in regards to the CIA's activities in Nicaragua, including the mining of the Nicaraguan harbor.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

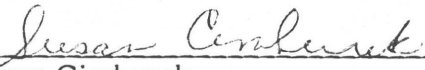

SECTION 1: UCSU Executive Council shall allocate \$500 from Executive Council Reserve to go towards an honorarium for Mr. David MacMichael, who will speak at CU on November 15 at 7 p.m. in the Balch Fieldhouse.

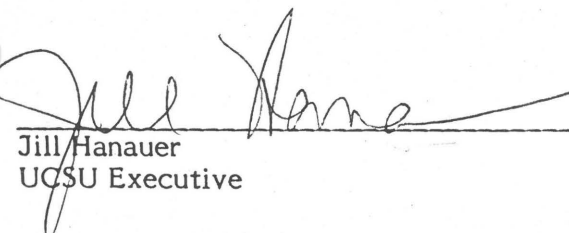

SECTION 2: This legislation takes effect upon passage.
