A BILL

BILL HISTORY

During the Spring Semester of 1985, UCSU allocated \$500 to President's Leadership Class for an eight week "Cancer Information and Support Series." This program was for people who are dealing with the problem of cancer themselves, know someone who has (or had) cancer, or are just interested. They received support from the American Cancer Society, the Boulder Hospice, the C.U. Psychology Department, and Wardenburg. The program was so successful and helpful for the people that participated that another series is scheduled for this semester beginning on October 2, 1986.
