A BILL

BILL HISTORY

UCSU Executive Council and the University at large has taken a firm stand in opposing violence and harassment towards women. It has actively supported such programs at NightRide/NightWalk, the Committee on Personal Safety, The Committee on Sexual Harassment and numerous educational events on subjects like Date/Acquaintance Rape and Abusive Relationships. Facilities to improve campus safety, including the installation of emergency telephones and increased lighting have become a priority. UCSU has also provided assistance for the annual Take Back the Night Week, during which a series of public lectures, films and workshops focusing on the issue of violence against women are given. The week culminates with the Take Back the Night March and a workshop at the Boulder Bandshell, sponsored by 100 Men for Boulder Country Safehouse.
