A BILL

---

BILL HISTORY

The UCSU By-Laws have not been revised since 1984, more than two years ago. As a result of this, certain rules may be outdated or inconsistent with the policies and procedures of Executive Council. One such rule is Article XII, Section 4, which states:

Members of a Local School Board shall abstain from voting on any issues which concern a student group or organization of which they are a member or when other conflicts of interest may exist.

Since Bills are frequently presented by members of organizations and since it is necessary for Local Schools Representatives to represent their respective constituencies, this section should be removed from the UCSU By-Laws.

---

BILL SUMMARY

This Bill shall delete Article XII, Section 4 from the UCSU By-Laws.

---

**BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:**

SECTION 1: Article XII, Section 4 be deleted from the UCSU By-Laws.

SECTION 2: This Bill takes effect upon passage.
