A BILL

BILL HISTORY

The last National Chicano Student Conference was held in Berkeley, CA in March of 1986. The Conference was attended by 800 Chicano students from across the United States, including a delegation of 20 (the second largest delegation, next only to California) from Boulder. At this conference Colorado was chosen to host the NCSC in 1987. The Colorado Statewide Latino Student Council has chosen Boulder as the host site.

Several Latino student groups have already begun planning the structure and content of the conference; UMAS will be the campus host organization.

Because of the size and importance of this conference we feel that a phone is vital for outreach as well as for students to call for information. SOC is experiencing some financial difficulties and was not able to fund UMAS for a phone.

BILL SUMMARY

Fund UMAS \$400 for telephone expense for NCSC Conference.

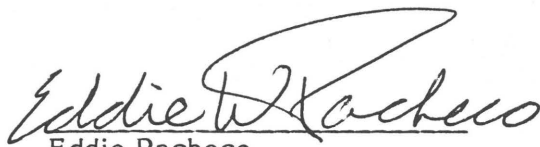

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: The UCSU shall make an initial allocation not to exceed \$400 from Central Reserve for an office phone costs (for the NCSC) to UMAS.

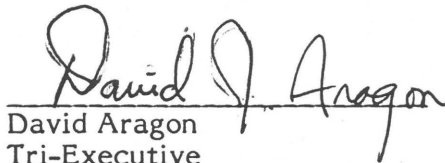

SECTION 2: This Bill takes effect upon passage.
