A BILL

BILL HISTORY

The Cancer Support Series is a group designed to help CU students and employees deal with the stress, fear, physical and emotional pain, and grief that result when people try to cope with a friend or family member having cancer. Guest speakers, films from the American Cancer Society, and videos from Children's Hospital are widely used to help students understand their feelings, as are discussions facilitated by Eline Downing, a volunteer psychologist/professional.

Meetings are held in Wardenburg from 3:30 to 5:00 pm on Tuesdays beginning Feb. 3, 1987 and ending during finals. Studies of past publicity has shown that most students in need are reached through ads and articles in the campus papers.
