A BILL

---

BILL HISTORY

It is no secret that every person on this campus could use some education on the topic of Black History, and Black Culture. February is National Black History month, and with recent events both at CU and nation-wide, it is timely indeed that we have the opportunity to bring to this campus an entire month of events for a very reasonable price.

Awareness of ethnic concerns on this campus may be at an all time low, and we must act to enhance both knowledge and awareness of these issues, while the concerns are fresh in the minds of the students.

---

BILL SUMMARY

This bill allocates \$1889.70 for the purpose of putting on this series of events to commemorate Black History Month.

---

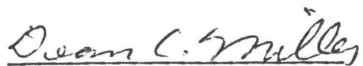

**BE IT ENACTED by the Executive Council of the University of Colorado Student Union THAT:**

Section 1: An amount not to exceed \$1889.70 be allocated from Central Reserve, to fund the events listed in the budget and schedule presented here for Black History Month.

Section 2: A report on the events be submitted to this Council by April 1, 1987.
