BILL HISTORY

The student chapter of the National Society of Black Engineers at the University of Colorado recently became chartered in January, making it the first time the society has had a chapter at C.U.

Due to the youth of the Society, we would like to send four of our members to the National Conference in Dallas, March 25-29, 1987 to get some ideas for our chapter and to meet with other black engineering students from across the country.

The theme of the conference is: "Discipline, Knowledge, Achievement: The Successful Development of an Engineer." We hope to come back to Colorado with a better understanding of NSBE's goals and ideas.

BILL SUMMARY

This Bill allocates an amount not to exceed \$356 + \$16.38 GAR to cover the roundtrip airfare for 2 students to attend the NSBE National Conference in Dallas, March 25-29, 1987.

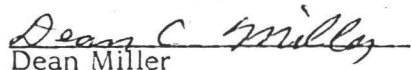

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

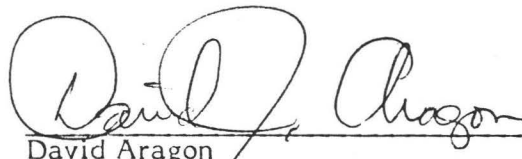

SECTION 1: An amount not to exceed \$356 + \$16.38 GAR to fund two roundtrip tickets for two members of NSBE to attend the National Conference in Dallas be allocated from Central Reserve.

SECTION 2: A report to Council and editorials to the campus papers will be presented two weeks after arrival.

SECTION 3: This Bill takes effect upon passage.
