A BILL

BILL HISTORY

The Tuition Freeze Campaign has come a long way since it was last funded by Executive Council. The campaign has greatly increased campus awareness of the issue; it has gained significant media coverage; it has sponsored a successful FAC; and it has begun contact with faculty, alumni, and parent groups.

The next two months are particularly crucial to the Campaign's success. It is time to take the Tuition Freeze to the rest of Colorado. Among things planned are a mailing to the Legislature; the introduction of a pro-education resolution in the Senate and House; a rally and press conference; and a series of ads demonstrating the effects of tuition increases on individual students.

The Tuition Freeze concerns all students equally. Few other issues can claim to have such widespread support. It is essential, therefore, to give the campaign the financial wherewithal it needs to be effective in the coming months. This is Council's role.
