A BILL

BILL HISTORY

Contrary to popular belief, the Gay Community is often discriminated against in our society. Unlike other minority groups, to this day there is no law protecting the rights of gay individuals in Boulder, although a referendum is proposed which will prohibit discrimination based on sexual preference. 'Gay Awareness Week' will aid in educating the general public through films, radio programs and speakers aimed at the general public, as well as students. This event hopes to bridge the gap through positive reinforcement with the goal of a better understanding of gay culture, dispelling myths and unfounded fears.

All events will be free and open to the public. A list of events and a budget is attached.

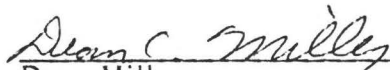

BILL SUMMARY

This bill allocates \$2500 to partially fund Gay Awareness Week, beginning March 30.

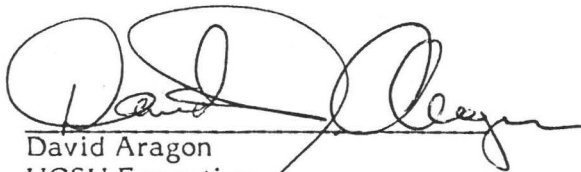

BE IT ENACTED by the Executive Council of the University of Colorado Student Union **THAT:**

- SECTION 1: An amount not to exceed \$2500 (including GAR) be allocated from Central Reserve to fund Gay Awareness Week, 1987.
- SECTION 2: A discussion period will follow each movie.
- SECTION 3: A written report about the event shall be submitted, pursuant to 24 ECB #4.
- SECTION 4: This Bill takes effect upon passage.
