A BILL

BILL HISTORY

The Women's Line is a telephone listening, counseling, and referral line for women of all ages in the Boulder/Denver area. The line is a non-profit, all volunteer organization sponsored by the CU Boulder Arts and Sciences Student Government. Counselors are trained in the skills to help women deal with issues by encouraging them to use their own resources and those available to them in the community.

Fortunately the Women's Line is expanding to now serve better then ever, the women of our community. Unfortunately, expansion feeds on funds. At present the Women's Line does not have the funds necessary to continue providing the community information about our services.

The Women's Line is asking for financial assistance from Executive Council, which they have never done before, to help cover operational costs which will in turn help women in the Boulder/Denver area. For details, please refer to the attached budget sheet. Thank you.

BILL SUMMARY

This Bill allocates \$341.40 plus GAR to the Women's Line.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

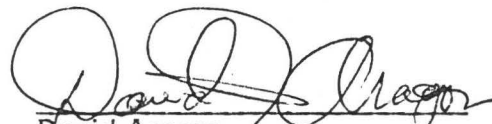

SECTION 1: An amount not to exceed \$341.40 plus GAR be allocated
