A BILL

BILL HISTORY

FINA, the annual Fun in the Nuclear Age outdoor educational and musical festival sponsored by SANE, CU Recycling, SOC, ASSG, CU Environmental Center and UCSU, will be Saturday, April 25 (raindate 26th). The event has been expanded to include a week of debate, lecture, film, and discussion preceding the festival. Also, the festival itself will be enhanced by the music of "the one-man reggae sensation," John Bayley. Also performing will be Band du Jour and Roots Redemption. The festival is open to all students and will allow student groups to set up booths for their own fundraising.

BILL SUMMARY

Funding has been secured for the bulk of the week through UCSU, SOC, ASSG, our own fundraiser, and money from last year's FINA. Two developments have left us a little short, however. First, I had hoped to get advertising money and a sound fee essential to the overall success of FINA from Local Schools (this was before the error in bookkeeping was found). Second, this year's FINA has grown even larger than I had expected and engendered some unforeseen costs. The most essential of these is a small fee for the other two bands to cover their travel expenses and overhead.

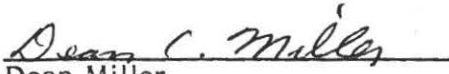

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

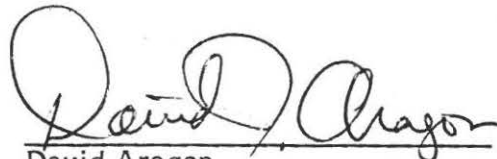

- SECTION 1: UCSU will sponsor the annual Fun in the Nuclear Age special educational and musical festival.
- SECTION 2: UCSU shall allocate \$690.05 from Central Reserve to the FINA account (#1394010) for advertising, sound and band travel expenses.
- SECTION 3: A written report about the event shall be submitted, pursuant to the provisions of 24 ECB #4.
- SECTION 4: This Bill takes effect upon passage.
