A BILL

BILL HISTORY

During the academic year of 1987-88 the Colorado Student Association (CSA) met monthly making strides toward a greater year. A highly successful legislative day and a newly amended constitution were a few of our achievements. CSA is comprised of officers, a board of directors and a representative assembly. The officers are elected by the board of directors, which is comprised of one person from each institution. The membership of the representative assembly is proportional to the number of FTE's in each school.

BILL SUMMARY

This bill adds a section to the By-laws, providing a framework for the selection of representatives from UCSU and CU - Boulder to both the board of directors and representative assembly of the Colorado Student Association (CSA).

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

- SECTION 1:** The following addition be made to the By-laws of UCSU: Article III, section 6 to read:

 - b. The quota of representatives to the CSA assembly shall be selected in the following manner: One person from executive council, 2 appointed by the executives, 4 appointed by an executive council appointments committee.
 - c. All CSA terms shall last no longer than 1 year.
