A BILL

BILL HISTORY

Radicals for Capitalism is a non-political organization dedicated solely to the study and advocacy of certain ideas. We are interested in bringing Andre Marrou to speak on campus.

Andre Marrou was elected to the State House of Representatives as a Libertarian in Alaska for 1985-87 term. He is presently the vice-presidential candidate for the Libertarian Party. Mr. Marrou will speak on Libertarianism in American politics, and third party alternatives in America.

We do not support, nor are we connected in any way with the Libertarian Party. We are interested in bringing Mr. Marrou to campus because he represents certain ideals which are all too infrequently expressed today, and his appearance would bring these ideas to the attention of the University community and also facilitate discussions on the subject.

The event will be held on Wednesday, September 21 at 5:00 - 7:00 p.m. in Duane Physics G-030.

We are asking for the advertising expenses only, since Mr. Marrou will speak without an honorarium.
