BILL HISTORY

The Black Student Alliance is currently seeking funding to send two delegates to the Fall Council Meeting at the University of Oklahoma Oct. 28-30, 1988. The Council Meetings, which are held biannually in the Spring and Fall, are attended by delegates representing each Big 8 University. School reports will be given, which list the activities and involvements of the Black Student Organizations since the Spring Council Meeting. The council also discusses past conferences, new and past business and many other topics.

The University and the BSA has sponsored Council Meetings and one annual Big 8 conference. This conference has particularly been responsible for our students having a stronger student government, becoming candidates and holding offices in CU's general student body government.

In summary, the Council Meetings serve as a time and place when the officers of the Black Student Governments of the Big 8 Universities come together to discuss their successes and failures, share ideas and plan future endeavors. Due to the fact that CU's BSA is hosting the 12th Annual Big 8 Conference Feb. 16-19, 1989, it is vitally important that we are represented at this council meeting. Once there, we can let the others know of our plans and progress on the conference; and take in any advice and suggestions about sponsoring such an event as the Big 8 Conference.
