29 EXECUTIVE COUNCIL BILL #40

UNIVERSITY OF COLORADO

STUDENT UNION

Sponsored by: Pharmacy Representatives Joan Sawaya  
Phil Turner

Authored by: Pharmacy Representatives Joan Sawaya  
A BILL

---

BILL HISTORY

Academy of Students of Pharmacy (ASP) is the University of Colorado's largest Pharmacy School organization with a membership of 75% of the school's students. ASP also encourages pre-pharmacy students to join and become active in the school activities.

American Pharmaceutical Association is the parent organization for ASP. Each year they have a midyear regional conference where both ASP and APhA members can attend. This conference is November 10-13 in San Francisco, CA. and will be represented by all pharmacy schools in eight western states, including California, Arizona, and Colorado. There will be several workshop sessions and lectures on various subjects concerning pharmacy including the National Medic Alert Pharmacy Program, a career options workshop and a forum on current trends in pharmacy practice. The conference will enable us to represent the CU School of Pharmacy and to gain knowledge and exposure to current ideas which we will bring back and share to enhance our education and our school.

ASP is active in both the University & Boulder/Denver community. This year we are volunteering health screenings for "Dance for Heart" presented by the American Heart Association. Also we are again involved in doing volunteer work for the national program on "Chronicle on Drug Abuse" which educates elementary & jr. high school students on drug abuse. This spring ASP is planning to begin a new tradition by presenting a "Pharmacy Career Day". The program will include speakers and booths from a wide variety of companies to demonstrate the many possible career options available in the pharmacy field. This will be a great benefit for current pharmacy students, as well as to incoming students who are still undecided in their area of study.

---

BILL SUMMARY
