A BILL

BILL HISTORY

The University of Colorado's Black Student Alliance is currently seeking funding to complete a project which began during the latter part of the spring semester. This project entails the painting of a mural in the Black Student Alliance office, here in the UMC.

The BSA feels that this will add a positive aspect to our office. The mural presents a historical and futuristic representation of Blacks. The mural will cover the two large walls in our office. The mural depicts our Motherland - Africa - and its people, Jamaica, and extends to the African-American lifestyles of the United States. It also depicts our struggles in all lands; our leaders; and optimistic hopes for the future.

BILL SUMMARY

This bill shall allocate from the Central Reserve account an amount not to exceed \$500.00 plus GAR in order to partially fund the costs of the mural.

BE IT ENACTED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: An amount not to exceed \$500 plus GAR, shall be allocated from the Central Reserve for the BSA mural.

SECTION 2: A report shall be submitted upon completion of the project to the Executive Council pursuant to 24 ECB #4.
