A BILL

BILL HISTORY

Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture and the civic and commercial welfare of the community.

The International Fraternity of Delta Sigma Pi's Alpha Rho Chapter has been active on this campus since 1926. It is the fourth largest chapter in the nation with a membership of 1726. The current active status of 74 male and female individuals makes it one of the largest student organizations within the Business School.

This organization is a collection of motivated, inspired students involved in many outside organizations within the university. Actives are required to participate in a minimal of 3 professional activities, and at least 1 community service project per semester. Delta Sigma Pi co-sponsored an all school FAC with the Journalism School last spring semester illustrating campus involvement.

Two members of the Delta Sigma Pi Executive Council have been asked to attend a Leadership School at Loyola Marymount University on July 22-24, 1988 in Los Angeles, California. At the Leadership School such topics as leadership dynamics, communication dynamics, and management planning techniques will be discussed and role played within the different seminars offered.

The costs have been budgeted according to the Student Finance Office and James Travel. Transportation costs will be zero since the hotel offers shuttle bus transportation. The meals, registration, and lodging expenses have been met by the Business School Dean's Fund.

The exclusion of the airfare costs would prohibit the opportunity to attend the Leadership School. The cost for airfare through the Student Finance office is \$258 per person round trip. The attendance at this conference will directly and indirectly help the students at the university become better leaders.

BILL SUMMARY

This bill allocates \$516 + GAR (23.79) = \$539.79 to pay for two round trip tickets to Los Angeles, California. The airfare will enable two members of Delta Sigma Pi to attend a leadership school on July 22-24.
