STUDENT UNION

Sponsored by: President Pro-Tempore Drew Bolin
Tri-Executive Chris Drummond
Representative-at-Large Sean Murphy

Authored by: President Pro-Tempore Drew Bolin

A RESOLUTION

WHEREAS: The United States Student Association (USSA) was created to represent issues of higher education common to all universities and colleges in the United States; and,

WHEREAS: USSA spent less than an hour on higher education at its last National Summer Congress, July 22-27, in Hartford, Connecticut; and,

WHEREAS: There is evidence that USSA has strayed from its original mission by taking stands at the Summer Congress on many issues completely unrelated to higher education; and,

WHEREAS: Taking stands on a wide variety of issues only lessens the focus on higher education. **THEREFORE,**

BE IT RESOLVED by the Executive Council of the University of Colorado Student Union, THAT:

SECTION 1: UCSU shall discontinue its yearly membership in the United States Student Association (USSA).

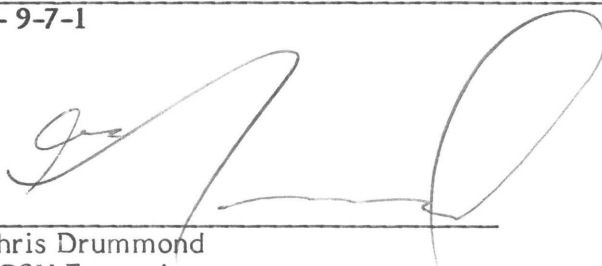

SECTION 2: UCSU may reconsider its annual membership only if there is documented evidence that higher education will be the main focus of USSA.

SECTION 3: This resolution takes effect upon passage.
