BILL HISTORY

Arts & Sciences Student Government will be hosting its "Third Annual Arts and Sciences Career Conference" on January 31st and February 1st. The event will be held in the UMC and is open to everyone. It has been very successful in the past, with attendance last year exceeding 500 students, more than three times the previous years attendance; this year we hope to more than double the figure. The purpose of the conference is to educate students about career opportunities and possibilities for people studying the Arts and Sciences. The event will bring CU alumni to offer their unique perspectives of their individual fields.
