A BILL

BILL HISTORY

The Executive Committee on Research and Teaching is a Task force made up of members of Legislative Council, Executive staff persons and the Tri-Executives. As a means of gauging opinions of faculty and students on the overall quality of the education at CU Boulder, ECRAT has begun planning for a survey of the aforementioned to determine if there is indeed a problem and (if so) to conjure up some positive solutions to submit to the administration and departments. This will require the services of The Office of Research and Testing to generate random lists of students and faculty. Although, surely, the administration should provide funding for what is certainly going to require a larger cooperation between UCSU and the administration, the allocating of startup costs to provide impetus for the survey is reasonable.

BILL SUMMARY

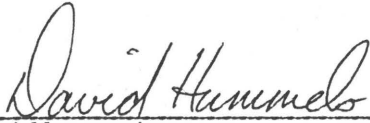

This bill allocates an amount not to exceed \$500.00 + GAR to provide startup funding for the Executive Committee on Research and Teaching.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

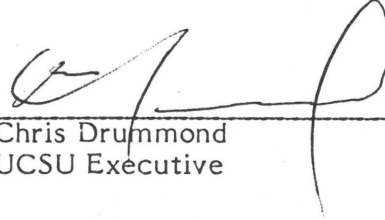

SECTION 1: An amount not to exceed \$500.00 + GAR shall be allocated to fund costs of The Office of Research and Testing in the generating of random lists and the gathering of other data.

SECTION 2: ECRAT will report biweekly on the progress of the survey.

12/08/88 - PASSES - LEGISLATIVE COUNCIL - SPECIAL ORDER - 12-1-2

David Hummels
President Pro-Tempore
UCSU Legislative Council

Chris Drummond
UCSU Executive
