A BILL

BILL HISTORY

This is a proposal requesting funds concerning National Conference for the student group AIESEC-Colorado. The National Conference is an annual event held by AIESEC-U.S. concentrating on legislation and the determination of objectives for the present year. In addition, it provides training, motivation and education for local committee members. The conference further provides a highly effective means for the transfer of information between local chapters. The event is attended by representatives of each of the nations 65 chapters, as well as a large number of international delegates.

BILL SUMMARY

The event will take place in Austin, Texas, December 27- January 3. The delegate fee is \$240 per person (not including airfare). The continuation of AIESEC as a successful and dynamic organization requires that all local chapters send delegates to National Conference. This event offers the members of AIESEC an unparalleled opportunity in that it is the sole occasion, in which representatives from each chapter congregate for an intensive, educational, and inspirational seven days. National Conference has the promise of promoting the dedication and involvement of both the attendees and the fellow members of AIESEC, as well as providing local chapters with valuable information and ideas. By taking part in National Conference, AIESEC-Colorado will be able to advance its own national reputation, as well as that of the University of Colorado.
