A BILL

BILL HISTORY

As a result of an extremely high demand for UMC office space and U.C.S.U. funding, there are several student groups which fail to receive the space and money necessary for their operation. In order to qualify for funding and space a student group must be composed of a certain percentage of individuals who qualify as students.

BILL SUMMARY

This bill places a referendum question on the Spring 1989 Election Ballot regarding the definition of a student.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

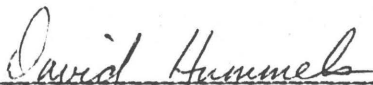

SECTION 1: The following question shall be placed on the Spring 1989 UCSU election ballot:
"Do you approve of the following UCSU Constitutional change?"
