A BILL

BILL HISTORY

The Buffalo 500, a student-run campus bicycle race, sanctioned by the United States Cycling Federation and endorsed by the Jimmie Heuga Foundation, has been in the works since the Summer of 1988. After hundreds of hours of work by and input from students, faculty, staff, administrators, & community members, the organization process is quickly coming to a close and the actual race will soon be underway. The race, a collective effort on behalf of the CU community, will be comprised of a collegiate race for statewide official university cycling teams in the morning (to which no UCSU funds will be channeled), and a citizens race in the afternoon, targeted primarily at student groups.

The Buffalo 500 is a campus-wide university activity designed to promote university unity. The bike race will be held on April 22, 1989 from 9am to 5pm on the Farrand Feild track and infeild. Placed conveniently after the last wave of mid-terms and well before the study period before finals, the Buffalo 500 will quite definitely attract the attention and attendance of a variety of community and university members.

In order to promote an event of this magnitude an advertising budget of approximately \$5000 is needed. We are asking UCSU Legislative Council for \$2000. This money will help to promote UCSU, the Boulder Campus, and student involvement in the Buffalo 500.

BILL SUMMARY

This bill will provide \$2000 + GAR from Central Reserve to support the advertising for the Buffalo 500 campus bike race, on April 22, 1989.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:
