A BILL

BILL HISTORY

By tradition, Legislative Council Agendas have been written so that legislation, often times submitted by students-at-large, is scheduled last. Consequently, the beneficiaries of this legislation, who may wish to speak, must wait until late in the evening. Even though attendance at Legislative Council meetings by students-at-large is encouraged, the students-at-large should not be required to stay long into the night or the next morning as do Legislative Council members.

BILL SUMMARY

This bill requires that Legislative Council's agendas be written with the needs of our fellow students in mind.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

SECTION 1: The following language shall be added to the Legislative Council's Standing Rules:

XX. LEGISLATIVE COUNCIL AGENDAS

The agenda for each Legislative Council session, compiled by the President Pro-Tem before each meeting, shall be written in the following order:

- I. Call to Order and Roll Call
- II. Amendments to the Minutes
- III. Approval of the Agenda
- IV. Open Hearing
- V. New Business
- VI. Old Business
- VII. Special Order
- VIII. Ratifications
- IX. Reports
- X. Announcements
- XI. Roll Call
- XII. Adjournment

SECTION 2: This bill takes effect upon passage.
