STUDENT UNION

**A BILL**

---

**BILL HISTORY**

During the past few months the students at the University of Colorado at Boulder have seen the cost of attending the University increase drastically. UCSU has worked hard to contain these rising costs. Unfortunately, we have been only partially successful.

We, as members of the student body and as elected student representatives have a responsibility to inform the students attending CU-Boulder and their parents about these costs. Therefore, we have drafted a letter to be sent to the permanent addresses of all students attending CU-Boulder. The cost of mailing this letter is roughly \$4500.00 dollars. Letting the entire student body know about the expected increases in the Fall is one of the best uses of student fees that Legislative Council can make. We will be serving the entire student body at a cost of less than 20 cents per student or less than .1% of their student fees.

If we are to faithfully serve the student body, we must keep them informed.
