A RESOLUTION

WHEREAS: The Rocky Flats Nuclear Weapons Plant is within 10 miles of Boulder; and,

WHEREAS: Students are concerned about the safety of their air, water, and soil; and,

WHEREAS: Rocky Flats has a poor record of safety, in January there were a total of 97 safety violations (Denver Post 1/25/89); and,

WHEREAS: The FBI, EPA, & DOE have been involved in a massive investigation of the facility; and,

WHEREAS: The Environmental Movement in Colorado (including the UCSU Environmental Center) has been warning of the danger at Rocky Flats for years; and,

WHEREAS: Most experts agree that a facility such as Rocky Flats should not be located in a centrally populated area. **THEREFORE,**

BE IT RESOLVED by the Legislative Council of the University of Colorado Student Union, **THAT:**

SECTION 1: We demand the immediate cessation of radioactive emissions from Rocky Flats and an accelerated five-year phase out of the facility.

SECTION 2: This resolution shall be sent to the Governor, the Colorado Delegation, and all interested parties in the Colorado Congress.

SECTION 3: The Legislative Affairs Commissioner will be directed to make the Rocky Flats issue a priority.

SECTION 4: This resolution will take effect upon passage.
