A RESOLUTION

WHEREAS: In April of 1989, Arts and Sciences Dean, Charles Middleton, announced there would be a 1 million dollar shortfall in the TA/GPTI budget for the 1989-90 fiscal year.

WHEREAS: This cut would impact TA/GPTI positions, and course offering to undergraduates, as well as possible impacts on class sizes for undergraduates.

WHEREAS: The timing of this announcement was detrimental to graduate students, the cuts were announced after the cut-off for GSL loans for the following year.

WHEREAS: These cuts conflict directly with goals 3 and 4 of the strategic plan of the University of Colorado which read, respectively: "TO PROVIDE AN EXCEPTIONAL UNDERGRADUATE EDUCATIONAL EXPERIENCE," and "TO INCREASE THE STRENGTH AND VITALITY OF RESEARCH AND GRADUATE PROGRAMS."

WHEREAS: At the May, 1989 Regent meeting Chancellor James Corbridge announced that the cuts would be restored, but "only temporarily." **THEREFORE,**

BE IT RESOLVED by the Legislative Council of the University of Colorado Student Union, **THAT:**

SECTION 1: Effective immediately, student input, both undergraduate and graduate, be solicited at least two weeks in advance on budget decisions that will directly affect either TA/GPTI positions, or graduate/undergraduate course offerings.

SECTION 2: The University must substantially increase the Arts and Sciences base budget in order to avoid future problems.

SECTION 3: UCSU asks that quality education once again be made the University's top funding priority.
