32 LEGISLATIVE COUNCIL BILL #1

UNIVERSITY OF COLORADO

STUDENT UNION

Sponsored by:	President Pro-Tempore Representative-at-Large Engineering Representative	Robert Ervais Kerry Whitford Mike Drews
Authored by:	President Pro-Tempore A BILL	Robert Ervais

BILL HISTORY

According to section 2.2.1 of the University of Colorado Student Union Student Fee Guidelines, "fees must be used in support of programs and activities open to the whole student body." They should be used in a manner which will benefit the maximum number of students possible. In order to be fiscally responsible and in compliance with the UCSU Student Fee Guidelines, Legislative Council should set a limit on funding for out of state travel. A limit of no more than 20% of Legislative Council's Central Reserve would still leave a substantial amount of funds for out of state travel. In this way, the Representatives of Legislative Council would be responsible to fund events that would directly benefit the maximum number of students possible.

BILL SUMMARY

This bill would limit the amount spent on out of state travel to 20% of Legislative Council's Central Reserve Account.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

SECTION 1: No more than 20% of Legislative Council's Central Reserve will be spent on out of state travel for each fiscal year.

SECTION 2: The Treasurer of Legislative Council will be responsible for obtaining the correct figures for out of state travel from the Student Finance Office and including the information in each Legislative Council financial report. It is the Treasurer's responsibility to include the percentage of central Reserve allocated for out of state travel in each financial report.

SECTION 3: It is Legislative Council's intent to spread the funding evenly throughout the fiscal year.

SECTION 4: This bill takes effect upon passage.
