BILL HISTORY

Historically the UMC Board has questioned the graduate student Advisory Council (GSAC) attendance at posted office hours. In the past this has usually been resolved by presenting explanations regarding the GSAC's position within the UCSU government. To rectify this situation the GSAC needs increased financial support to hire additional staff whose purpose will be to meet staff hours that presently employed staff is unable to meet.

BILL SUMMARY

This bill requests financial support from the UCSU Legislative Council to hire an additional staff member for the GSAC for a total of 5 hours per week.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

- SECTION 1: The UCSU increase its level of financial support to the GSAC by an amount of no less than \$120 per month. The exact amount for each month shall be determined by a work load of 5 hours per week at a pay scale of \$6.00 per hour.
- SECTION 2: This position will be a permanent position for as long as GSAC is a branch of UCSU.
- SECTION 3: This bill is null and void in the event of the GSAC being granted "exception status" to the UMC Board's posted office hours policy for granting office space.
