# A BILL

In the 1980's the FINA event (Fun In the Nuclear Age) was a cornerstone of the Spring Semester. It was a time & place for CU students from all areas of campus to come together, listen to great music, have fun and increase their environmental awareness. This year's FINA is scheduled for Saturday, April 21, 1990, with the rain day being April 22. As always, FINA coincides with Earth Week, with April 21st being the last day, and no other Earth Week events scheduled.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

SECTION 2: A written report will be submitted pursuant to 24  
ECB #4.

SECTION 3: This flawless legislation takes effect upon passage.
