Korean Culture Night Evaluation:

With the support from the Legislative Council, we, Korean Student Association, accomplished the 8th Korean Culture Night with a great success. The event was held on April 7, 1990, Saturday, at the Old Main Theater.

Approximately 140-150 people attended the Korean Culture Night. The audience consisted of CU - Korean students, Koreans from the Denver community, and Americans from CU and the Boulder community. The high turnout in the number of the spectators were due to effective promotion and advertising, which were funded by the Legislative Council.

If you have any further questions regarding the Korean Culture Night, please do not hesitate to call me at 492-1063. Thank you, again, for your support.
