A BILL

BILL HISTORY

This proposal is a request for funds concerning the annual convention for the National Management Associations. The convention, which will be held in Chicago, Illinois this year, is a vital part of our organization's success. Past participants have brought back valuable skills, activities, and insights that have helped our organization develop. The convention provides our representatives not only with information on how to better run our chapter, but with skills necessary to succeed in the professional world. The C.U. Financial Management Association has been ranked nationally "superior" (top 4) for five consecutive years, and we believe that attendance in these national events have been vital to the success of our organization.

The CUFMA chapter is proud to have a wide representation from all classes (First-year - Graduate) as well as a wide variety of majors. Our main objective is to benefit this wide range of students and the University of Colorado students collectively by way of enhanced group management techniques, fundraising activities and suggestions on easing the transition from student to professional.

This year we would like to send four CUFMA representatives to the convention scheduled for March 29-31. The representatives will listen to a variety of speakers, attend workshops, and have an opportunity to meet with other student representatives.

BILL SUMMARY

This bill shall allocate \$550.00 + GAR to fund two round trip tickets to Chicago for two CUFMA members to attend the National Financial Management Association convention on March 29-31, 1990.
