33 Council of Colleges and Schools Bill #1

UNIVERSITY OF COLORADO  
STUDENT UNION

Sponsored by: Engineering Representative Mike Drews

A BILL

---

BILL HISTORY

Because the UCSU By-Laws only require that CCS meet once every other week, and because allocating funds often requires CCS to meet weekly, it should be up to the chairs discretion as to whether to call additional meetings.

---

BILL SUMMARY

This very short bill changes the CCS By-Laws to include the neccesity of weekly meetings when needed.

---

BE IT ENACTED by the Council of Colleges and Schools of the University of Colorado Student Union, THAT:

SECTION 1: In the CCS By-Laws, Article I, the following section will be added:

H. Meetings

Council of Colleges and Schools meetings shall occur at least bi-monthly, and weekly when the Chair determines that weekly meetings are needed to efficiently run CCS Business. These meetings shall usually be held at 6pm on Thursday nights, or left up to the Chair's discretion.

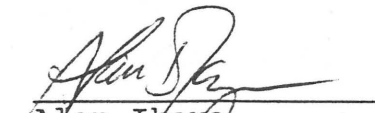

Summer meetings shall occur every other week, the same night as Leg. Council Meetings.

SECTION 2: This bill takes effect upon passage.
