33 Council of Colleges and Schools Bill #6

UNIVERSITY OF COLORADO

STUDENT UNION

Sponsored by:                      Engineering Representatives                      Alan Eliassen  
Mike Drews

Authored by:                      Secretary, AIChE                      Heather Reddy

A BILL

---

BILL HISTORY

During the first weekend of November, eight students from the University of Colorado American Institute of Chemical Engineers (AIChE) Student Chapter will be attending the 1990 Annual Meeting and the Associated Student Chapters Program in Chicago. This meeting will provide students the opportunity to meet and exchange ideas with students from other chapters. There also will be workshops on topics related to running a successful AIChE Student Chapter. Participants include current officers, as well as younger students, to make the groups successful now, and in the future.

1990 Annual Meeting Attendees:

		<u>Graduation Date</u>
Kelly Seibert	AIChE President	December 1991
Terry Hopkins	AIChE Vice-President	May 1991
Vito Bavaro	AIChE Treasurer	May 1991
Heather Reddy	AIChE Secretary	May 1991
Anndee Huegel	AIChE Liason to AES	May 1991

Also two Juniors and one Sophomore will be attending but have not been confirmed yet.

All students going to the annual meeting are very active in their groups and significant contributions to the groups can be expected until graduation. These students were selected from a large number of interested students.

AIChE Annual Meeting: What we will bring back to campus.

Faculty CU mixer:

Faculty attending the conference will be sponsoring a CU mixer for students from other schools. We will be acting as ambassadors from CU to encourage enrollment in CU for graduate school.

Leadership workshops will be held on how to improve your student chapter. This will help us to put on more effective activities-speakers, tours, panels, etc.

AIChE History:

Student Chapter of the Chemical Engineering Professional Society provides students an opportunity to see what lies ahead in the 33

Council of Colleges and Schools Bill #6 - page 2

profession. Sponsors field trips, guest speakers, panel discussions, and social activities around Chemical Engineering and related fields-open to all interested students.

---
