A BILL

---

BILL SUMMARY

Throughout the year, Nightwalk/Nightride operates as a service for student safety. Its availability at all times to both students and faculty is essential in providing a safe campus.

---

BILL HISTORY

Nightwalk/Nightride has been successful in the past at recruiting volunteers during the academic school year. However, during the transitional periods, ie., summer, 1st two weeks of each semester, there is inevitably a shortage of volunteers, thus a difficulty in providing a consistently reliable service.

---

BE IT RESOLVED by the Legislative Council of the University of Colorado Student Union, THAT:

SECTION 1: UCSU Legislative Council and Staff should volunteer to ride or walk for the Nightwalk/Nightride Service one shift during the first two weeks of each commencing academic period.

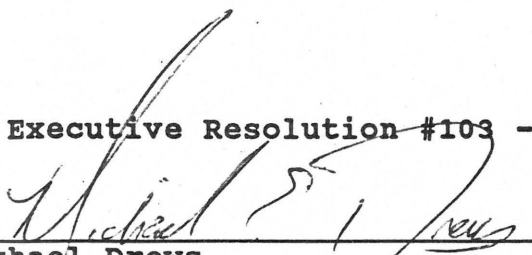

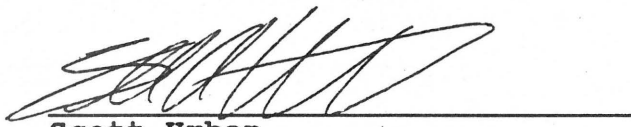

SECTION 2: UCSU Executives, Executive Staff and Council should volunteer a total of three shifts throughout the year - the start of summer, first semester, and second semester.

SECTION 3: The Nightwalk/Nightride coordinators will schedule shifts.

SECTION 4: This resolution shall go into effect upon passage.
