A BILL

BILL HISTORY

The National Education Conference is sponsored by the National Fraternity of Delta Nu Alpha (from here on referred to as DNA) and the American Society of Transportation and Logistics. Members of CU's Chapter of DNA are working hard to satisfy the means of attending this conference. The conference consists of seminars, speeches, and workshops intended to educate the students on current issues within the transportation industry. This experience not only enables DNA members to enter the business community with increased awareness of current issues and professional contacts, but gives national exposure to the University of Colorado. In fact, in two of the last three years, CU students have won the coveted National Student Of The Year, which is presented at the conference. Numerous scholarships have been given to outstanding DNA members in the last three years as well. Quite obviously, the CU Chapter of DNA is a fantastic student program with national attention.

BILL SUMMARY

This bill allocates an amount not to exceed \$750 plus GAR to help send 7 Delta Nu Alpha representatives to a National Conference in Philadelphia, Pennsylvania from September 12th through 15th, 1990.
