**A BILL**

**BILL HISTORY**

On July 29, 1989, UCSU became a member of the United States Student Association (USSA) by virtue of its membership in the Colorado Student Association. Accordingly, UCSU has been sending delegates to USSA's National Student Congress. This year eight delegates were sent to NSC in Las Vegas, Nevada, July 29-August 3, 1990. At the Congress B.J. War Club was elected to the National Board of Directors.

B.J. War Club represents the Native American constituency in USSA. The importance of his presence in Washington, D.C. is threefold: 1) Native Americans are historically and presently the most under represented peoples in terms of federal legislation and, as federal funding for education decreases it is imperative that those groups which are under represented don't get cut out of the education system altogether, 2) a Native American analysis of legislation and budgeting is an integral part of USSA's platform, and 3) without B.J.'s presence in Washington, D.C., Native Americans will not be represented at all.

The first Board of Directors meeting of the year will be held October 25-28 in Washington, D.C. at the national office of USSA.
